

OMITIDE! WATER HAS COME!

QUARTERLY NEWSLETTER 3 – 2024

Published on the 1st of October

Do you harvest rainwater? If not, start today!

Dear Donors, Partners, Friends, and Supporters of OMITIDE,

It's the beginning of the year's last quarter, and we're happy to inform you of what happened in the third quarter and what to expect in the fourth quarter.

In the last quarter, we continued with organization set-up activities.

We are always grateful for your support. Thank you!

CERTIFICATE OF REGISTRATION

On the 17th of July, the Corporate Affairs Commission of Nigeria issued the certificate of registration to OMITIDE!

We are happy to have achieved this great milestone despite all the challenges.

SCUML CERTIFICATE

SCUML stands for the Special Control Unit Against Money Laundering. It is a required document for the smooth operation of NGOs in Nigeria. SCUML operates under the Economic and Financial Crimes Commission (EFCC) in Nigeria as part of Nigeria's efforts to combat money laundering and terrorist financing.

We are delighted to have this certificate, which will help us proceed to other organization activities.

ACCOUNT OPENING

Having obtained OMITIDE's Certificate of Registration and SCUML Certificate, it is a joy to us that we have concluded our account opening process. OMITIDE now has a Dollar account to receive funding for our project. You can find the account details in this newsletter below.

We are also working on opening accounts in the local and some other foreign currencies.

UPCOMING

- We are still raising funds to train vegetable farmers from the sensitized communities on rainwater harvesting and support them with rainwater harvesting and irrigation kits.
- We have received notification of support from one donor and we look forward to start training some farmers this quarter. However, we need more funds to train farmers in other sensitized communities.

YOUR DONATION WILL PUT SMILES ON THE FACES OF OUR BENEFICIARIES!

Dear Supporters and Friends,

We are grateful for your support so far. We need more of it for the next phase to achieve greater impact.

Thank you also for helping us by sharing this newsletter with those who might be interested in your network.

With Best Regards,

Itohan Iyawe Ogiemudia and the entire Omitide Team
